How long should I study for?

To complete the introduction level competency, we recommend approximately 5 hours for learning and reflection plus 20 hours for Foundation level study and qualification. Depending on other commitments, you will require anything from 2 weeks to 6 months to complete this course.

Purchasing this product provides you with a license to use the BCS Business Analysis Passport for a period of 6 months from the date of purchase. During this period the product is supported to ensure that the content is consistent with the method syllabus.

Benefits

At the end of this course you will be able to:

- Describe how a business strategy is developed
- Use strategic analysis techniques
- Describe the need for project discipline

- Explain techniques to investigate an organisation's business systems
- Describe an approach to improving business systems
- Explain the importance of stakeholder management and use a stakeholder analysis technique
- Use techniques for the analysis and modelling of business systems
- Describe how recommendations for business improvement may be identified
- Describe the contents of a rigorous business case for the development and implementation of business changes
- Identify costs, benefits, impacts and risks for an option in a business case

Why Passport self-study?

- It provides flexibility for those wishing to study at a time, pace and place convenient to them
- A flexible choice of different options and packages is available (Introduction, Practitioner, exam bundles, online/classroom exams)
- A cost-effective solution for both individuals and organisations
- People who study using Passport products achieve a higher score in the Foundation exam
- Browser-based online software gives you the freedom to access it 24/7 from any location in the world, using a variety of devices
