Course Overview

During the second session of our [Compliance CPD Series 2026 | GTA](#), Christopher Jehan will discuss the steps that a firm can take to successfully approach a regulatory visit.

Every regulated firm anticipates, some with fear, the day that the letter eventually arrives advising of a regulatory visit with an accompanying list of documentation requirements. This session will provide a guide to what a firm can do before, during and after a visit to ensure that the process is as painless as it can be.
