Benefits

Financial worry is one of the most common stressors in life and can take a huge toll on your mental & physical health, relationships & overall quality of life. This course will help delegates to identify and achieve their financial priorities and goals, and give a clear picture of where they are, where they want to be and how to get there by taking control of everyday money matters.

Next Steps

If no date is scheduled for this course at the present time click on the **'Register Interest'** button and login or register for a user account so that we can add you to our course interest register. This register allows us to contact our tutors and finalise dates for a course as soon as we have a few people who have expressed their interest, so the more delegates who register their interest, the sooner we can schedule a particular course.
