## Course Overview

The decision to take on a new qualification can be difficult with so many options to choose from. Whether you wish to develop your existing skills to further your career, explore a new specialism, or if you are brand new to the industry, the ICA can support you in finding the right path.

Join the ICA at these [FREE 1-hour online information sessions](#) led by the ICA's industry respected tutors, designed to guide you through the ICA's range of qualifications.

## Course Content

During the sessions you will learn about:

- How gaining an internationally recognised qualification can help boost knowledge, capabilities and career opportunities
- The differences between each course level, qualification suitability and eligibility criteria
- The enrolment process and funding options available

**Flexible learning that works for you**
