- **Strategic thinking** – helps your leadership ambitions
- **Innovation** – explores new ideas, best practice, and future developments from a global perspective
- **Fellowship of ICA** – become automatically eligible for the highest grade of membership
- **Networking** – grow with other like-minded, senior professionals.

Flexible learning that works for you

E:admin@gta.gg | T:224570 | W:gta.gg

Join hundreds of senior compliance professionals from over 50 countries who unlocked their leadership potential and improved their career growth opportunities with this qualification.

This qualification is awarded in association with Alliance Manchester Business School, the University of Manchester.

## Course Content

The syllabus covers a variety of key issues relevant at a senior level and is designed to provide an insight into the risks and potential hurdles faced by your organisation. The syllabus is delivered by an exclusive series of high-profile masterclasses covering relevant topics.

- Building and leading a world class compliance team
- Strategic risk management for leaders
- Behavioural compliance: the role of psychology in culture and ethical behaviour
- Keeping up with emerging regulatory developments
- Governance, risk and compliance in the digital world
- Applying governance, conduct and outcomes for the benefit of the organisation
- Leading change in governance, risk, and compliance
- Financial crime risk in the digital age

This course is delivered over 12 months with materials delivered online for you to study in your own time and at your own pace including:

- Eight 3-hour live, virtual masterclasses over four weekends.
- Eight group tutorials that give the opportunity to reflect, interpret and apply the knowledge from the masterclasses
- (Optional) Five live, virtual classrooms spread over the duration of the course, designed to support the networking element of the course as well as focus on the latest global developments.
