

Finance, AML & Compliance

# ICA Specialist Certificate in AI for Compliance Professionals

### **Course Details**

**Price** 

£730.00

#### Length

Online self-study for 1-2 months. Commence this training at any time.

#### **Course Overview**

Future-proof your career with this unique qualification that equips compliance professionals with the right mix of case studies and practical knowledge on AI.

#### **Course Content**

You will study this course in your own time and at your own pace, and you have up to 2 months to complete it.

You will:

- Gain the confidence to ask the right questions and demonstrate your knowledge with peers and senior leaders.
- Understand how humans interact with AI and the skillsets required.
- Learn how AI is applied within RegTech.

- Grasp the ethical dilemmas and challenges of Al and how to mitigate them.
- Look to the future and discover the developments of Al and compliance.

You can request a copy of the full syllabus here.

#### **Benefits**

ICA Specialist Certificates are designed for anyone wanting focused yet accessible knowledge in specific areas of risk. They are suitable either for those working in the first and second lines of defence looking to certify existing specialist areas of knowledge, or for those looking to increase their professional agility by learning about new areas of risk. The course can be completed in as little as four weeks but you will have access for up to two months.

## **Next Steps**

Whilst the GTA facilitates the training for ICA qualifications, you need to <u>enrol online</u> directly with the ICA. Scroll down when you reach this page and enter Guernsey when it asks 'Where are you based?' You can then follow the process to enrol.
