ICA Specialist Certificate in AI for Compliance Professionals

Course Details

Price

£730.00

Length

Online self-study for 1-2 months. Commence this training at any time.

Course Overview

Navigate the intersection of Artificial Intelligence (AI), ethics and compliance with confidence.

Future-proof your career with this unique qualification that equips compliance professionals with the right mix of case studies and practical knowledge on AI to:

- Gain the confidence to ask the right questions and demonstrate your knowledge with peers and senior leaders.
- Understand how humans interact with AI and the skillsets required.
- Learn how AI is applied within RegTech
- Grasp the ethical dilemmas and challenges of AI and how to mitigate them.
- Look to the future and discover the developments of AI and compliance.

Flexible learning that works for you

Content

Written by an industry expert, this course will delve into:

- An introduction to AI
- AI in RegTech
- Ethical considerations and possible dilemmas in AI
- How AI and compliance can work together

Benefits

Raise your professional profile by gaining an internationally recognised certification awarded in association with Alliance Manchester Business School, the University of Manchester.

Prerequisites

ICA Specialist Certificates are designed for anyone wanting focused yet accessible knowledge in specific areas of risk.

This course is suitable for those working in regulatory or financial crime compliance looking to certify existing specialist areas of knowledge, or for those looking to increase their professional agility by learning about new areas of risk.

The fee for ICA membership will be added separately to your basket when you enrol online for this course.

Assessment

Assessed by a one hour online multiple-choice exam that you can take at any point during your studies.

Next Steps

Whilst the GTA facilitates the training for ICA qualifications, you need to enrol online directly with the ICA at [ICA Specialist Certificate in AI for Compliance Professionals - Qualification](#). Scroll down when you reach this page and enter Guernsey when it asks 'Where are you based?' You can then follow the process to enrol.
