

Finance, Accounting & Tax

IFRS Essentials

Course Details

Price

£325.00

Length

Half day (09:30-12:30)

Course Overview

This course will cover all of the international standards currently in issue but will focus on those accounting standards which are most commonly used for offshore client accounts. Examples will be used to illustrate the treatment of various standards in the accounts.

The course is ideal for those working with funds listed on a stock exchange meeting international standards or forming part of large sets of accounts.

Course Content

Topics covered on this course will include:

- The financial reporting framework
- Revenue recognition
- Non-current assets

Flexible learning that works for you

E: admin@gtagg | T: 224570 | W: gtagg

- Investment properties
- Leases
- Employee benefits
- Share based payment
- Events after the reporting period
- Provisions and contingencies
- Financial instruments
- Related parties
- Current issues
- IFRS for SMEs standard
- Differences between international and UK standards

Benefits

The course will serve as an update course for operational staff who need to prepare financial statements for client entities.

Next Steps

If you would like to book a place on this course please click on the **'Book Course'** button to the right of this page and login or register for a user account to complete your booking(s). Any queries please do not hesitate to contact us via admin@gta.gg or call us on 01481 224570.

If no date is scheduled for this course at the present time please click on the **'Register Interest'** button and login or register for a user account so that we can add you to our course interest register. This register allows us to contact our tutors and finalise dates for a course as soon as we have a few people who have expressed their interest, so the more delegates who register their interest, the sooner we can schedule a particular course

Course Tutor

Angus Kemp

Angus Kemp is a qualified Chartered Accountant and has been involved in tutoring students in the islands for over 25 years. He came to Guernsey in 1985 after having qualified in Glasgow, and has spent time with Coopers & Lybrand and BDO as well as a spell with ICI. In 1995 he established Offshore Training Consortium in Guernsey, which was subsequently acquired by BPP, and in 2002 he founded his accountancy practice, Kemp & Company Limited. He continues to service his own clients and specialises in audit and assurance services, liquidations and general business advice. Angus's extensive academic credentials include MA in economics and Politics, Postgraduate Certificate in Accountancy, and a Masters degree in Education.
