Introduction to Insights Discovery

Course Details

Price

£0.00

Length

1 hour (12:30-13:30)

Course Overview

This session will provide an introduction to the features and benefits of Insights Discovery as a learning system within your organisation and how it can support your business objectives.

Course Content

At the very start of the self-awareness journey is Insights Discovery. A psychometric tool based on the psychology of Carl Jung, Insights Discovery is built to help people understand themselves, understand others, and make the most of the relationships that affect them in the workplace.

The Insights Discovery methodology uses a simple and memorable four colour model to help people understand their style, their strengths and the value they bring to the team.
