How long should I study for?

To complete the Introduction level, we recommend approximately 5 hours for learning and reflection. The Foundation level requires approximately 20 hours of study and will be a mixture of computer-based training using the e-Learning platform,

reference to the support documents (provided within the product), and completion of the tasks and tests. Depending on other commitments, you will require anything from 2 weeks to 6 months to complete this learning.

Purchasing this product provides you with a license to use ITIL® Passport for a period of 6 months from the date of purchase. During this period the product is supported to ensure that the content is consistent with the method syllabus. The e-Learning and Foundation exam are valid for 6 months from the date of the initial purchase.
