How long should I study for?

To complete the introduction level competency, we recommend about 5 hours for learning and reflection, 20 hours for Foundation level and about 30 hours (cumulative) for Practitioner level study and qualification. Depending on other commitments, you will require anything from 2 weeks to 6 months to complete this course.

Purchasing this product provides you with a license to use MSP® Passport for a period of 6 months from the date of purchase. During this period the product is supported to ensure that the content is consistent with the method syllabus. The e-Learning

platform and exams are valid for 6 months from the date of the initial purchase.

Benefits

Attending the MSP® Foundation & Practitioner course will provide you with an understanding of the benefits and principles underlying a structured approach to programme management. It will enable you to apply the principles of MSP® to a programme within a work environment and it will help you operate effectively with colleagues and managers within a structured programme and project management environment. You will better understand the MSP® framework and be prepared to sit the APM Group MSP® Foundation and Practitioner exams.
