## Course Overview

Officially launched in 1999, 'Managing Successful Programmes' (MSP<sup>®</sup>) is a guide that provides and maintains a strategic view over a set of projects, aligning and co-ordinating them within a programme of business change in support of specific business strategies.

## Course Content

SPOCE's self-study products aim to provide you with a straightforward route to becoming a fully certificated Registered Practitioner in your own time and at your own pace.

The MSP course content will include:

- MSP<sup>®</sup> introduction and overview
- MSP<sup>®</sup> framework and concepts
- Vision

- Identifying a programme
- Blueprint design and delivery
- Defining a programme
- Planning and control
- Benefits realisation management
- Organisation and the programme office
- The business case
- Leadership and stakeholder engagement
- Managing the tranches
- Delivering the capability and realising the benefits
- Quality management
- Risk management and issue resolution

This course includes:

- 12 modules with associated interactive lessons
- Video presentations for each lesson
- Notes to support each lesson and references to the MSP® manual
- Module level foundation and practitioner tests directly aligned to the MSP® syllabus covered
- Online support forums and chat (online)
- MSP® Foundation and Practitioner exam simulations with feedback.
- Interactive exercises to consolidate the learning
- Extensive exam approaches module to support the "objective testing" Practitioner exam
- Progress reporting facility

### **How long should I study for?**

To complete the introduction level competency, we recommend about 5 hours for learning and reflection, 20 hours for Foundation level and about 30 hours (cumulative) for Practitioner level study and qualification. Depending on other commitments, you will require anything from 2 weeks to 6 months to complete this course.

Purchasing this product provides you with a license to use MSP® Passport for a period of 6 months from the date of purchase. During this period the product is supported to ensure that the content is consistent with the method syllabus. The e-Learning

platform and exams are valid for 6 months from the date of the initial purchase.

## Benefits

Attending the MSP® Foundation & Practitioner course will provide you with an understanding of the benefits and principles underlying a structured approach to programme management. It will enable you to apply the principles of MSP® to a programme within a work environment and it will help you operate effectively with colleagues and managers within a structured programme and project management environment. You will better understand the MSP® framework and be prepared to sit the APM Group MSP® Foundation and Practitioner exams.
