## Course Overview

This course will visit all aspects of a compliance officer's role, such as the responsibilities and duties in a financial services business in Guernsey.

It will examine the AML/CFT (anti-money laundering and combatting the financing of terrorism) framework in Guernsey and look at the regulatory frameworks in place.

It will also look at the role of the compliance officer and how to be an effective individual in that role.

## Course Content

This course will look at the design and implementation of a compliance monitoring framework, board interaction, how you should report to the board and what information those board reports should contain. Crucially, it will examine how to improve the
