

Project Management

# Up & Running in Business Analysis

## Course Details

### Price

£325.00

### Length

Full day (09:00-17:00)

## Course Overview

Business Analysts (BAs) provide companies with innovative strategies to stay ahead of the competition in the dynamic landscape of today's business world.

In this exciting career BAs are the pathway to unlocking the full potential of organisations by bridging the gap between technology, data, and business goals.

This 1-day course will allow delegates to up-skill quickly and is for anyone interested in business analysis or those looking to learn the fundamentals before going on to a certification course.

## Course Content

Delegates will learn:

- The basic concepts and tools of business analysis

**Flexible learning that works for you**

E: [admin@gta.gg](mailto:admin@gta.gg) | T: 224570 | W: [gta.gg](http://gta.gg)

- Concepts of data analysis to support the business analysis process
- Process of analysing businesses and organisations to understand the current situation
- Designing and developing future operating models including the requirements management
- Delivering business solutions and implementing change
- Managing key stakeholders

By the end of the course delegates will be able to apply business analysis processes and principles to successfully analyse business issues and develop effective solutions and strategies to drive organisations forward.

## Benefits

Who is the course for?

It is for anyone who find themselves needing to find solutions to business issues or develop strategy and need to up-skill quickly.

It will be of particular interest to anyone looking to start a career in business analysis or professionals who need business analysis skills to complement their skillset.

## Next Steps

If you would like to book a place on this course please click on the **'Book Course'** button to the right of this page and login or register for a user account to complete your booking(s). Any queries please do not hesitate to contact us via [admin@gta.gg](mailto:admin@gta.gg) or call us on 01481 244570.

If no date is scheduled for this course at the present time please click on the **'Register Interest'** button and login or register for a user account so that we can add you to our course interest register. This register allows us to contact our tutors and finalise dates for a course as soon as we have a few people who have expressed their interest, so the more delegates who register their interest, the sooner we can schedule a particular course.
